However, our veterinary care costs are only discounted though a particular veterinarian and therefore they are the only clinic we currently use for routine care. With the obvious exception of a life threatening medical emergency, if you should decide to take your foster cat to a different veterinarian for convenience or any other reason, BSCR will be able to cover the cost of the visit. Thank you for your understanding.

All the information I have provided on this application is, to the best of my knowledge, true and complete. I understand that falsifying answers on the application, or at any other time during the fostering process, disqualifies me from fostering.

The process takes approximately 7 – 14 days, and we are all volunteers, so please be patient.

I agree to hold harmless BSCR and its representatives from any liabilities, injuries, or loss caused by my being a BSCR volunteer.
